

Fat To Fit Transformation for a Teen

Fat to fit transformation can be an amazing journey. But there are many false starts. You may think a pill is the answer. Perhaps knowledge is the answer. But, no. The journey takes effort and time.

There are many overweight doctors and nurses. Having a lot of medical knowledge will not make a fat to fit transformation in your life. According to a [recent survey](#) 4 out of 10 doctors are overweight and 23% are obese. Don't ever take weight management advice from an overweight doctor. They simply do not know how to make the fat to fit transformation.

Many people want a magic solution to their weight condition. For most people, this magic solution is a diet, weight loss pills, or a gym membership. The weight loss dietary supplement marketed is expected to [grow 6% a year](#) for the next decade. The fitness industry is expected to grow [2.6% a year](#) globally.

Fat to Fit Transformation Turning Point

But, for people who do undergo a fat to fit transformation, there comes a defining moment, a turning point when they realize the true answer to becoming fit. It's a lifestyle change.

That lifestyle changes involves eating a more healthy diet – not going on a temporary diet. This means eating more real foods, cutting out manufactured foods many of the nutrients and fiber removed.

That lifestyle change involves exercise. Our parents and grandparents lived before the current obese generation. They worked hard. In this obese information age, work often involves sitting at a desk for nearly 8 hours a day. Exercise

is an optional extra we must choose.

Cardio and weight training exercises are important for our health and weight control. Cardio burns calories. And weight training builds muscle that raises our metabolism so we burn more calories every hour of the day.

The decision to change your lifestyle will be the turning point in your fat to fit transformation experience. Make your's today.

It will be hard work. But, your fat to fit transformation will be worth it.
